Market Day Frequently Asked Questions

What is Market Day? A monthly fundraiser for St. John's School, where you can buy a variety of restaurant-quality foods.

How do I order? Order forms are sent home through the school each month. There are 2 ways to order:

1. You can order online at www.marketday.com up until 11:00 pm on the Monday before the sale. The website also has information about the products, along with prices, nutritional information, ingredients, and recipes. To order for St. John's sales, enter the school account number 12174 or "St.John" (with no spaces). You can also sign up to get order pick-up reminders and special discounts by email. When you order online, you can elect to pay by credit card online or by cash or check when you pick up the food at the sale.
2. The order form can be completed and sent into school anytime before the deadline printed on the back of the order form (normally 9 days before the pick-up date). Payment can be made by cash or check at pick up.

* Please include a home or cell phone # with your order in case we need to contact you on the day of the sale.

Where do I pick up my order? Order pick-ups are one Saturday per month between 8:45 and 9:30 a.m. in the school multi-purpose room. The first sale of this school year is Saturday, September 17. Future sale dates are on the school calendar, on the order forms, and on the Market Day website, along with order deadline dates.

How can I earn Service Hours?

- 1) Join us for Saturday pick-ups from 8:00 am to 10:00 am. Because Market Day does not involve direct contact with the students, it is an excellent opportunity for parents and guardians who haven't yet completed the Archdiocese fingerprinting process to get involved at St. John's. Market Day is also an opportunity for 7th and 8th grade students to earn service hours. Volunteers do not need to commit to coming each and every month. If you would like to help with Market Day please email or call St. John's Market Day Chair, Carmen Mulea at carmen.m@comcast.net or 301-868-5370.
- 2) Order from Market Day throughout the school year. One service hour will be earned for every \$100 spent (based on school year total purchases). Orders will be totaled by customer throughout the school year, so 2-\$100 orders or 8-\$25 orders will each earn 2 volunteer hours. Orders must be paid and picked up to qualify for volunteer hours.
- 3) Solicit orders from family members and co-workers and ask them to complete the form on the back of this page to help you earn volunteer hours. The same totals and payment requirements above apply.

What if I want to order but can't pick-up at the scheduled time on Saturday? Limited freezer space is available to hold orders for pickup during school/aftercare hours the following week. All held orders must be prepaid and prearranged to ensure sufficient freezer space is available. Contact St. John's Market Day Chair, Carmen Mulea at carmen.m@comcast.net or 301-868-5370 to make arrangements. Orders can be prepaid online through Market Day's secure website.

What are the proceeds used for? The Home and School Board uses the proceeds for expenses such as replacement TVs for the classrooms, Catholic Schools Week expenses, and unbudgeted supplies for the school. Last school year, we earned over \$3,000 in profit and a \$250 Gift Card for the school library to purchase new books. Over the past 15+ years, St. John's has earned over \$85,000 from the Market Day Program.
