Art Adventure

Are you looking for something fun for your child to do this summer? Mrs. Wilson would like to offer the opportunity for your child to work on some interesting art projects this summer by providing art lessons during the week of July 19th – 23rd. If you are interested or would like additional information, please contact Mrs. Wilson directly for details and to make arrangements.

Art Supplies

As the year winds down, students will start bringing their art supplies home for the summer. Just as a quick reminder before they are put away for "safe keeping": Most students have not completely used up their supplies, especially their watercolor paints. Please feel free to use any of the supplies again next year, especially the Prang watercolors. Also, students will need art smocks again next year, so have your child put their smock in a place where they will easily find it next year. Any supplies that are no longer usable can be donated back to school for our recycling program. Also, any supplies that are in usable condition but that aren't needed at home can be donated to the art room for use by students next year.

Have a Safe and Fun Summer!
