## HSA Holiday Social and Home Meeting

With the holidays quickly approaching we would like to help you with your Christmas shopping by inviting you to the Home and School Association Holiday Social on Friday, December 4 from 5:00 pm to 7:00 pm. We will have music and refreshments for your enjoyment as you shop among the variety of displays. Perhaps you would like to display some of your own crafts or items from you small cottage business. If so, please see the attached flyer. We would love to see some of the talent St. John 's has to offer.

As an added treat, Santa will be joining us at the social. He will talk and listen to your children as we take some great photos! What a wonderful way to start off the holidays! So mark your calendars for an evening of fun! See you there as this is the second mandatory Home & School meeting of the year. There will be no babysitting in the multi-purpose room as children are invited to the social.

## Poinsettias Order

The beautiful Poinsettias has been a symbol of Christmas for many years. When we see them we immediately think of the holidays. They decorate our homes, businesses and everywhere we look. The Home and School Association is selling poinsettias for all your holiday decorating. Order forms went home in the brown envelopes. If you would like another order form, please contact the front office. The deadline for ordering the poinsettias is Friday, November 20th. Orders are only available for pickup at the Holiday Social on Friday, December 4th.
