

May 21, 2010

Dear Families,

The end of the school year is quickly approaching! As we finish these last few weeks the children are dreaming of field day. This is a day that the children get to have some fun after working so hard all year. We are in the process of planning many exciting things to reward them!

As always we need volunteers to help us make this day a success! Areas in which we need help include: set up and take down, supervising the games, monitoring the children as they alternate through the activities, and other odd jobs.

Field day is Thursday, June 10, 2010. Activities will begin at 8:30 am and continue until lunchtime. The students will be part of multi-age level groups, which will have captains.

We hope that you can make the time to join us this year. Please return the bottom part of this letter to school, attention Mr. Ogle, by Friday, June 4 if you are available to help. I will contact you to confirm times and answer any questions.

Please keep in mind the Archdiocese fingerprint and VIRTUS requirements. All parents must have completed the process before being allowed to participate in student related activities.

Again, thank you for all you do to make your child's time at St. John's successful!!

Sincerely,

Randy Ogle

FIELD DAY
